**Best Puppy : Mochrie's – Downsbank Razzle Dazzle Em**

Many thanks to the Officers and Committee for their kind invitation to judge this show, also to my stewards who kept things running smoothly and to the exhibitors for their entry with some quality dogs to judge. It is two years since I last judged this breed and having been involved in this breed since the mid seventies, a King Charles Spaniel should be compact and cobby as there are far too many shown nowadays looking more like Cavalier King Charles Spaniels in shape.
