

Boston Jan 2016

My principle winners were:

BOB & BD MILLER & RYAN'S AMANTRA REGIUS OF FEORLIG Very sound Blenheim, well marked and looking the part on the day. Moved smoothly and elegantly, aided by his expert handler. It was no accident that he moved so well as he has excellent construction with good front angulation and neck, a spirit level topline and a strong back end. A broad Charlie head with large well spaced eyes, well cushioned face and low set ears. Well deserved his awards.

BP & RBD LEACH'S DANYAS PRINCE OF DARKNESS

Young B&T full of cute and very nicely made with bags of confidence. Very pretty head with excellent dome, broad nostrils, nice tight lips and the essential large well spaced eyes. Only a youngster but very tidy on the move and shows great promise for the future.

BB GOODWIN'S LANOLA MADEMOISELLE JW A lovely

typy Tricolour with a pretty feminine head, showing good Charlie features. Excellent dome and ear placement, Nicely made and the right size for a girl. Moved with confidence and glamour but slightly lacking in enthusiasm.

RBB DIX'S BEEWYE PENELOPE PITSTOP Young

tricolour who looked like a handful to show. Well made which showed in her movement, keeping a level topline and covering the ground well. Another pretty feminine

head, good width of skull and dome, with well spaced eyes and tidy lips.
