SA1 Junior Dog or Bitch 8 entries (2 absent)

1st Kendall & Askins Cofton Winter Time Tale at Headra This super Blenheim girl of just 11 months headed an excellent class. She is a really sound mover both front and rear. Well balanced and with a good tail set. I liked her well rounded chest and particularly her well laid back shoulders. She has a full head for a bitch so young. Her round dark eyes and her turned up nose give the desired pleasing expression. She was full of mischief and it was that that gave her the edge.

1st Goodwin's Diggle Dandelion Blenheim 15 Months. I have no doubt that this is an excellent dog, The way he moves around the ring with style and as if he owns it. He has good strong bone including a wonderful rib cage. He has a very strong head with a Black nose and wide open nostrils, a square muzzle and well cushioned cheeks all sitting on an arched neck giving that proud head carriage.

2nd Mochrie's Downsbank Razzle Dazzle 'Em Tricolour 22 Months This is a really well constructed boy with correct weight of bone. He is well balanced which good turn of stifle that accounts for him driving round the ring with style. He is a handsome Boy with a well defined stop, square muzzle and correctly positioned large dark eyes.

1st Coupland's Tucherish Julie Christie Tricolour 4 Yrs old This bitch has almost the perfect Charlie head, the correct

size for her with an excellent dome. A deep stop, large eyes set wide apart and correctly positioned, wide muzzle and her lips meet perfectly. She was reluctant to show off her movement but when on the table and stacked by her handler there is no doubt about her overall construction.

2nd Willey & Siddle Penemma Picasso Tricolour 3 Yrs old This was my most difficult decision. This boy can move and showed it by going round the ring keeping his outline with his well feathered tail flowing behind him. He has a beautiful coat that gleamed in the sunshine. He has a well arched neck and stands proudly. He is a handsome boy with a pleasing expression.
