1st Mochrie's Bonitos Companeros Deluxe High Society. 8 month old confident tri. Good head and dark eyes, good width of jaw, making a pleasing picture. Good bone and well sprung ribs. Well broken coat markings. Moved soundly and showed well. Should have a bright future.

2nd Smith's Headra's Truly Magic Is Justacharma. 6 month old nicely marked tri. Another confident youngster. Good head, slightly stronger in jaw than 1. Good bone and well sprung ribs and probably a little shorter in loin than 1. Moved soundly and showed well. Not much to choose between them, I just preferred the finish of face on 1.
