**Many thanks to the exhibitors for their entries, and to my very helpful and efficient stewards. I was delighted with my final winners, all were beautifully presented and worthy representatives of the breed and a pleasure to judge. there are some very promising puppies which speaks well for the future of the breed, sadly some dogs were shown in poor condition so very thin and emaciated. The King Charles is a cobby chunky dog, to appreciate the beauty of these wonderful dogs you really need to study their faces and expressions which accounts for some of my placings. In a perfect world I wish we could rectify the fault that has crept in and achieve the correct markings in the broken colours of a clear white background with well distributed patches of colour rather than whole white bodies with fleckings.**

**1ST 1858 Willey, Mr I & Siddle Miss C Ch Penemma Misty Foe Me JW**

**What a star, a truly lovely Blenheim with a gorgeous head and expression. Very good bone with an excellent front and strong hindquarters. She fulfils the Breed Standard requirement of 'cobby'. Although out of coat at present, it is of the correct texture and her tan markings are rich and the pearly white background is devoid of any freckling. She showed and moved like the true aristocrat with dignity and decorum, and I was delighted to award her the Bitch CC and B.O.B**
