

## **LEEDS CH SHOW 24/07/2015**

**It was a honour to be awarding tickets today to the breed I have loved and lived with for the last thirty years .Without exception they were a joy to go over .Long gone are the days of Charlies creeping around the ring on their tummies,today I was met by classes of charlies who were really enjoying themselves ,one minor point please try to train your Charlie to move correctly in the ring without darting about, on a couple of occasions lovely dogs went down the placements because of my inability to access their movement .**
