

Midland Counties Canine Society. - 26 October, 2012

King Charles Spaniel

I would like to thank the Officers and Committee for inviting me to judge and for their kind hospitality. Thanks also to my efficient steward. I would also like to thank the exhibitors who entered. I had many; really high quality exhibits but felt the bitches were stronger. I felt pleased with my final line-up.

1ST TUCHERISH HIGH TREASON (MRS J COUPLAND)

Stunning puppy, tri, masculine head with good width of jaw, dark round eyes, giving a melting expression, good rise to skull, good neck, well balanced, short backed and cobby body, well angulated moved so soundly and showed with such confidence and swagger for a baby. Coat was of silky texture.

I predict a bright future and think he will no doubt gain his crown. Best Puppy In Breed & Reserve CC

2ND BONITOS COMPANEROS DELUXE HIGH SOCIETY (MRS R MOCHRIE)

Another promising puppy, tri, good head with dark eyes, good neck, cobby body, with good bone and substance.

Level topline, moved well and with confidence, just lost out to winner lacking angulation.

Tri, Lovely head, with large round dark eyes giving a pleasing expression, good width of jaw, correct nose placement, ear set and rise to skull, ample bone, level topline, moved well and with correct tailset. Coat of correct texture and presented in lovely condition.

2ND NISYROS DONNIE DARKO (MR R F & MRS E A RUSHTON)
B/T. Beautifully head with good rise to skull, with dark large round eyes, well boned, just needs to gain more body and could be a strong contender for top honours.

1ST PAULIAN ERNEST WITH SIMANNIE (MRS S A BYERS)
Really good blen, have always admired him from the ring, possesses a lovely head with well set ears, good nose placement, cobby body, with rounded rib

cage, level topline, coat of correct texture, presented in sparkling condition. Moved soundly with a lovely outline. Can give his handler a tough time as he can be naughty.

2ND

JUSTACHARMA OH SO MAGIC JW (MR & MRS S C & G A J SMITH)

Tri with an outstanding head, lovely to go over on the table, cobby body, level topline, moved soundly and with drive, I feel so disappointed for his owner as he just lacked lust today. Such a pity lovely breed type.

1ST

CH MAIBEE THEO (MR W & MRS J MOFFAT ROBINS)

Excellent dog with the most gorgeous head, large round dark eyes, giving a melting expression, well cushioned muzzle, good width to jaw, correct nose placement, well rounded rib cage, good bone and substance, level topline, moved with drive and shows with such style. I was pleased to award him his 34 CC& BOB and is the New Breed Record Holder. I feel very sad that his talented breeder is no longer with us to see all her hard work justified.

2ND

CHACOMBE LORCAN (MS H B SALGUERO)

Rich ruby, with pleasing head, good body and bone, with good spring of rib, lovely rich coloured but lacked length to coat but was presented in good condition.

3RD ALAMBRA RICH RUBY (MISS S MADDISON)

1ST COFTON WALKING ON SUNSHINE (MR R S & MRS R K BAKER)
Gorgeous tri with lovely head, large round dark eyes, well feathered ears, good reach of neck, short cobby body and good bone, moved soundly and with drive with level topline standing and on the move, correct silky coat, presented in lovely condition.

2ND BALDRAGON SHE DEMANDS (C ROBINSON)
Tri of outstanding quality but today I felt she was going through a raw stage, looked a bit leggy and not as well balanced as winner. I am sure when she gets more body and looks cobby, will be hard to beat, just needs more time. I can only judge on the day.

3RD KASAMANDA MISS SUNSHINE (MRS M J WILLIAMS)

1ST MAIBEE EMELDAMAY (MR W & MRS J MOFFAT ROBINS)
Well marked tri, pretty head with dark eyes, good neck, would prefer a little more bone, but has a lovely outline, moved soundly and shows with lots of style. I am sure she will gain her crown; but today was just not in condition.

2ND MAIBEE MARGOT AT ALDORICKA (MR D & MRS D M BAILEY)
Blen, Nice type, good head proportions, broad chest, good brisket, short in body On going around the ring, thought that she looked a little heavy, but on the table was just right.
