

BIRMINGHAM NATIONAL KING CHARLES

MPD (5)

1. Williams' Kasamanda Chasing a Dream, 6 months tri a little heavily marked, lovely quality head with good dome and well cushioned foreface, balanced body, already good bone and rib, moved as well as any in the class.

2. Southam's Cavella Cookie, another tri 7 months, better broken but not as confident as 1, lovely head type, needs to body up and gain confidence.

3. Mochrie's Downsbank Nocturne

PD (3)

1. Stewart's Nouveau Reign Check, 9 months tri, well bodied, excellent head type with big open nostrils and firm underjaw, good bone and rib, just a shade long coupled. Sound and happy mover. BP and did the breed proud in the big ring by winning PG3.

2. Fry & Jackson's Amantra Summer Chapter, 11 months Blenheim, not quite the head of 1 and needs to body up and enjoy himself more. Very well constructed and balanced with flawless top line and excellent angles.

3. Askins & Kendall's Headra's Wedgwood.

JD (1)

1 . Bailey's Aldoricka The Maverick, 14 months well broken tri with beautiful head type, needs to body up, topline slopes off a bit, happy and sound mover.

PGD (5)

1. Schilizzi & Healy's Baldragon Royal Warwick of Chacombe, beautifully broken tri all of a piece with masculine quality head, great balance of outline, good bone and rib and now just needs a little more body to finish the picture. Has such a lovely way of going,

carrying himself soundly and proudly. Should be a very easy Champion. CC & BOB.

2. Smith's Justacharma Oh So Magic, tri of excellent breed type just a shade shorter in leg than I, glorious head type, strong bone, big ribs, moves steadily holding a firm topline.

3. Wallhead's Sleepyhollow Trikki Dikki at Merida.

LD (6)

1. Mallows & Gillhespy's Binglui Berlington Bertie, Ruby, the best bodied in the class, good basic head type but could have stronger underjaw, holds a balanced outline, hard back and stands well on his legs at all times.

2. Leach's Amantra Carte Blanche at Ouzlewell, Blenheim of lovely type and shape just needing more body weight, moved steadily holding his shape and is fundamentally well made and nicely broken.

3. Tarabad's Lillijay Percy Cute Khatibi.

OD (2)

1 . Fry & Jackson's Ch Amantra Cheers, Tri of lovely type fully mature and bodied, grand head type, well boned and ribbed, shows enthusiastically, coat was having a bad hair day and could be better broken. RCC.

2 . Maddison's Alambra Rich Ruby, Ruby of good overall type but not moving as steadily as I would like, quite good head type and overall balance.

MPB (4)

1 . Dawson's Pomelo Solitaire, Tri and one of the most confident in the class at 9 months, promising head type with plenty of detail, well broken coat, good bone and body, moved quite well.

2 . William's Kasamanda Miss Sunshine, Blenheim of 6 months and so much less forward but a promising baby, happy temperament, well broken coat, feminine head but with not the finish of face of 1, cobby body.

**3. Schilizzi & Healy's Baldragon Envy Me of Chacombe.
PB (3)**

1. Askins & Kendall's Headra's Caverswall, rising 11 months Blenheim full of confidence and moving with style, feminine head with lots of promise, already well boned and ribbed, could be a little more open marked but outshowered everything in the class. BPB

2 . Gidding's Amantra Summer Cheer.

Another Blenheim more broken than 1 but a little longer cast, good head type, needs to body up generally and fill out in front but holds good topline and shows with confidence.

3 . P. Solitaire

JB (5)

1. Goodwin's Amantra Queen of Clubs at Diggle, 16 months B/T of intense quality, beautifully domed head and glorious expression, cobby body with firm level topline, good bone and ribs for her size, already a sound and steady mover. Well deserved her first CC and should make up easily – a real Toy Spaniel.

2. Stewart's Marchog Mimi Bon Bon, 14 months B/T very well bodied up but not quite the classic headpiece of 1, sound and steady mover, well put together and nicely balanced throughout.

3. Leach's Danyas Amazing Grace

PGB (2)

1. Mochrie's Downsbank Valentina, Tri quite nicely broken, lovely size and shape, pretty head with plenty of work, good bone and general substance, moves steadily but could make more of herself standing.

2 . Sproul & Coburn's Nisyros Nevada for Khandro, B/T of lovely quality, cobby and all of a piece, just as pleasing in head as 1 but front movement lets her down.

LB (3)

1. Sproul & Coburn's Nisyros Indiana for Khandro, cobby Tri of lovely type, beautiful head, well domed and full of expression, good bone and rib, showed well enough.

2. Goodwin's Maibee Clementine of Lanola, Tri, open marked, well boned and ribbed, beautiful head, just not as firm in topline as 1 or as outgoing on the move.

3. Bailey's Maibee Margot at Aldoricka.

OB (4)

1 .Dix's Ch Paulian Prudence for Beewye, very pretty Tri , coat a little flecked but lovely size and shape, excellent basic head type if not the finish of foreface of the CC winner, holds her outline well. A worthy Champion. RCC.

2 . Askins & Kendall's Amantra Charmful at Headra, Tri, loved her type and sheer cobbiness. Beautifully balanced outline and coat in pristine condition. Rather crooked head markings don't help the immediate appeal but on close inspection she has a beautiful head. Spoilt her chances by persistently pirouetting on the move.

3 . Croome's Beauclerk Nora with Clovercourt.
