

PAIGNTON CH SHOW 12 King Charles Spaniels

A lovely entry which I thoroughly enjoyed. Temperaments getting better, soundness coming on & new exhibitors with good stock - all boding well for the breed. Long may it continue.

MPD 1 Bonitos Companeros Deluxe High Society, 7 months tri of very good shape & good head qualities. Scored in compactness of body & finish of muzzle. Can tighten in front action;

2 Dragonheart Of Winter, 8 months, good moving dog, better in front action than 1 but not as compact in body. Good skull & eye. Tail carriage a little high;

3 Gmacrystals Obsidian at Rozabaron.

PD 1 Cavella Cookie of Cwmtirion, took my eye immediately, 10 1/2 months, lovely puppy, full of type, cobby & well ribbed, sound at both ends. Lovely head & eyes, good bone. Could have a little more competence but showed

enough temperament & carried his topline. I liked him a lot. Gained confidence & in the challenge took RCC, an

exciting prospect; 2 Kasamanda Chasing A Dream, 9 months, very good headed dog, sound on the move. Just a little rangy but scored in head & front action to take this place;

3 Noble Duke Amantra.

JD 1 Aldoricka The Maverick, 17 months, excellent compact tri, very good head & eye, holds shape well, good ribbing & some forechest Can tighten a little in front action as he matures but I liked him a lot & he was close up for the RCC. With maturity of

body will do very well; 2 Headra's Wedgewood, 14 months tri, lovely head, excellent carriage, good rear. Not as good in front action as 1. Scored in head & eye placement to win this place; 3 Headras Morecroft of Lankcombe.

PGD 1 Beechglan Gabriel, tri, has quality & sound moving, holding himself well, good rise of skull, well placed dark eyes, carried himself well, in excellent

condition; 2 Firefly Efon Cofton, cobby blen of lovely size, bone & body. Sound on the move. Just a little proud of his tail. Just preferred head & expression of 1; 3 Paulian Ernest with Simannie.

LD Good class for quality. 1 Baldragon Royal Warwick of Chacombe, tri, not fully mature in body & coat but as sound as a bell on the move, excellent topline, good bone & feet, good rise of

skull, large dark eyes. Should finish well with maturity of body & coat; 2 Downsbank Spruce, tri, lovely head, eye & cobby body, carried himself well. More finished than 1 but couldn't match him on the move; 3 Beechglen Summertime.

00 1 Ch Maibee Theo, stood out, in lovely form, cobby, compact, carries himself well with sound movement, quality head & large dark eyes. CC & BOB; 2 Amantra Carte Blanche at Ouzlewell, 5 years blen, lovely quality head & eyes, sound, carrying himself well. Needs more body; 3 Baldragon Big It Up.

MPB 1 Phydeaux Royal Rose for Diggle, 7 months, beautifully head blen, wonderful eye, very sound. Just had the finish of lip to score over 2 Cwmhf Cheek To Cheek, 6 months, beautifully cobby puppy, lovely body. Can just firm up yet & finish in lip but gorgeous type & should finish well; 3 Baldragon Grace And Favour.

PB 1 Downsbank Designed for Lorphil, 11 months blen, cobby in body & carries herself well with sound movement. Tail set a little low. Good bone & ribbing, good skull. Could have a little more turn up of chin but scored in carriage & finish of body. BPB; 2 Amantra Cherish, 9 months, beautifully headed tri. Preferred her head to 1 but not as finished in body & croup as 1 & this showed on the move. Should finish very well with maturity; 3 Carleeto Sweet Melody.

JB 1 Paulian Amazing Grace, 15 months tri, lovely size, compact & free moving, quality head & eye. Needs time for finish of body. Scored in hindquarters & rear movement to win this in a close decision; 2 Headras Caverswell, 14 months, cobby bodied & good headed blen, I liked her a lot. Not quite the rear angulation of 1. Good bone & lovely temperament; 3 Headras Morecroft at Lankcombe.

PGB 1 Baldragon May Be Baby, tri, great temperament & sound movement as had all from this exhibitor. Lovely size, cobby but needing to finish in body. Won on topline & movement. Good skull. Could have a little more finish of lip but a lovely toy spaniel with happy temperament; 2 Lorphil Black Beauty, lovely headed b/t, scored here on rib. On the

move a little uncoordinated & lost her topline & this decided the placing. Quality all through; 3 Maynorth Lovesong.

LB 1 Baldragon All About Me, tri, convincing winner of this class. Lovely size, excellent movement, cobby & compact. I liked her a lot. Pressed hard for RCC, just edged out by the finish of the top two; 2 Folle Damour Pour Trois De La Montagne Ensoteilee of Tudorhurst, glad she's not as long as her name. Very good bodied b/t, carries herself well, sound, well boned & well ribbed. A little heavier in type than 1 & not quite the softness of expression, Scored in rib and body to get this place; 3 Amantra Queen Of Clubs at Diggle.

OB Maibee Clementina of Lanola, lovely headed bitch. very sound on the move. would like a little more body on her to finish. Just scored in head properties over 2. Wonderful rise of skull, eyes & finish of muzzle. CC; 2 Ch Paulian Prudence of Beewye, tri, loved the body properties & movement of this lovely bitch with superb temperament. Just a little small in head & needing a little more finish of lip but I loved her quality & was torn between these two. RCC; 3 Ch Amantra Winterberry.
