

## **King Charles Spaniels - Paignton 2013**

**Judge Rita Lloyd (Cwmhaf)**

**Thanks to everyone for your entries. I thought both line ups were quite similar and the three top honours went to what could have been mother, father and daughter, all very typical. I did not find many with tight feet but I did find quite a lot with very close movement behind, and also some very weak pasterns. Could all be related perhaps? Lack of road work?**
