

S WALES CH SHOW, 09/10/15 - King Charles Spaniels

MPD 1 Schilizzi & Healey-Gates' Chacombe Retained Asset, blen baby with personality plus. Liked his head & expression. Could be a tad shorter but he needs to develop a little in middlepiece. On the move, he was naughty but his feet were put in the right place & in profile he is quite breathtaking. In fabulous condition & a bright future awaits him. Liked him a lot. BP; 2 Gillhespy's Lorphil Red River, superb ruby for type & another with a delightful head & expression. Stood he is all of a piece but he was just a tad erratic on the out & back today. Champion quality though; 3 Melville's Amantra Chorale.

PD 1 Robinson's Baldragon Brecon, interesting class of differing types. Liked the head & expression on this one although he needs more interest in what's going on. Stood he presents a typical outline & is good to go over. Scored in front assembly & is in good condition. Moved on the right track but just lacks enthusiasm; 2 Smith's Justacharma Here Is Magic, delightful head & expression & another in good nick. Just not the front of the winner. A little immature in movement; 3 Gillhespy & McInally's Lorphil Treasure Island.

JD 1 Miller & Ryan's Amantra Regius of Feorlig, superb young blen who moves like a dream. Presented to perfection. His head & expression are

quite delightful. Good for size & scores highly for type. All of a piece, he is balanced in outline with angles in the right place. Good topline, tailset & well broken colour. A champion in the making I'm sure RCC; 2 Jackson's Amantra Regal Prince, close up & very similar for type. Another whose head & expression are dreamy. Not the body of the winner today & not the positivity in profile. But another who has a title awaiting for him I'm sure; 3 Robinson's Baldragon Brecon.

PGD 1 Smith's Alambra Here Is Magic for Justacharma, mature ruby dog who scores highly for type. Like his head & expression. Good to go over on the table & moved on the right track. He just needs a little more in attitude perhaps; 2 Melville's Amantra Tiberius, blen who also scores in head. In excellent condition & he too is good for size & type. Could just reach out a tad in front more & he was a little tense in topline today; 3 Austin's Dragonheart Fall Breeze.

LD 1 Schillizi & Healey-Gates' Chacombe Retained Asset, tri boy who has style in abundance. I liked his head & expression. Is super to go over & is in optimum condition. On the move he is good going away, could be cleaner coming towards me but in profile covers the ground with ease, style & keeps his topline. Well ribbed back & is good for size & type; 2 Jackson's Amantra Treasury, close up & scores is highly in the type stakes. His head & expression are dreamy & he is all of a piece. To go over there is not much to

change. He too could be slightly cleaner coming towards me & he just lacked a bit of sparkle on the move today, hence the placing. But he is another certain champion; 3 Pascoe's Cavella Cookie of Cwmtirion.

OD 1 Smith's Headra's Truly Magic is Judtacharma, mature tri who is cracking for type. Short & cobby with a delightful head & expression. On the move he has attitude & is sound, puts his feet in the right place & keeps his outline. Good to over, he is in great condition. In excellent coat, that yes could be less ticked but is of correct texture & quality. In the challenge he continued to truck on with that sound light gait, keeping a typical outline & a certain charm that keeps drawing you back to him. Liked him enormously & was surprised that he doesn't yet have a title. He is very worthy of one! CC & BOB; 2 Essex's Ch Chacombe Royal Gift to Brendek, liked this lightly marked tri too. Super expression on a masculine head. Moved out well, keeping his outline & he too puts his feet in the right place. Young yet & still feel the best is yet to come; 3 Pennington's Tudorhurst Corsair.

VD 1 Askins & Kendall's Int Ch Headras Chocolate D Lite, super young 8 year old in the most fabulous condition. A real credit to his owner & the most delightful of persons he is too! He is a real charmer, lovely head & expression, good on close inspection and, quite frankly, can show some of the youngsters how to move; 2 Austin's Baldragon Big It Up, another

gentleman who is in great condition. Decent head & expression & enjoying his day out; 3 Austin's Baldragon Hooray Henley.

MPB 1 Hunter's Tovarich Thomasina of Hooebarton, sweet tri baby of 6 months. Like her head & expression. Lots to do but all in the right place at the moment. Her temperament is to be cherished & nurtured!

PB 1 Goodwin's Lanola Mademoiselle, tri who scores highly in the type stakes. Good for size & completely feminine. Liked her head & expression, decent to go over on the table & moved out well, holding an outline. Super temperament & in excellent condition; 2 Rushton's Justacharma Magic Made for Tiflin, sweet tri, who also has the sweetest head & expression. Needs to body up but she has it all in the right place for now.

JB 1 Jackson's Amantra Regalia, really super young tri bitch with the most delightful head & expression, only young but with quality in spades. Her balance is superb, she is excellent for type & is super on close inspection. On move she has attitude & covers the ground keeping an outline with a free & easy stride. Like her & she has champion stamped all over her. RCC; 2 Boyer's Headras Miss Moneypenny, only just into junior but a pretty head & expression. Need to mature up in body & mind but she is good for type too. Just tensed in topline today; 3 Hunter's Lankcombe Sylvac at Hooebarton.

PGB 1 Dix's Beewye Precious Perdita, tri girl who scores so highly for size & type. But it's on the move that she cannot be overlooked, especially in profile. She has a long, free easy action & keeps an eyecatching outline. Stood she is just determined to throw everything away but I had to forgive her this; 2 Harvey's Rivermoor Lady Martha, blen who has a really pretty head & expression. Not as cobby as the winner & not the front action. However, plenty to like & with luck should be a title holder. Just needs a bit in middlepiece to complete the picture; 3 Wallhead's Baldragon Becuz Im Worth It to Merida.

LB 1 Essex's Tudorhurst Beatrice at Brendek, b/t who is excellent for type & size. Beautiful head & expression. On the table she is good to go over & she is in excellent condition. On the move, she could possibly reach out a tad more in front but her feet are in the right place & she could benefit from a little more enthusiasm. Good one though; 2 Askins & Kendall's Sandstrand Merituuli at Headra, pretty, pretty tri bitch with a glorious head & expression. Just a little narrow going & coming but time is still on her side. Champion quality; 3 Champion's Stonepit Lillian Gist at Lankcombe.

OB 1 Robinson's Ch Baldragon She Demands It, gorgeous tri girl with style & quality in spades. Her head & expression are dreamy, she is in optimum

condition & she is a showing delight. On the stack, her balance is textbook, with angles all in the right place & on close inspection she is hard to fault. Out & back she is precise but in profile, she can never be overlooked. In the challenge for BOB, she lost concentration when it mattered & started to crab very slightly. The dog continued to truck on & so she had to pay the price. She is, though, truly beautiful. CC; 2 Willey & Siddle's Ch Penemma Misty For Me, blen girl with a delightful head & soft expression too. I really liked her & she pushed the winner hard. All of a piece & in superb condition. She too is sound as a bell & has the most endearing character. I just felt the winner was better balanced in front leg; 3 Austin's Baldragon May Bea Baby.
