

## **BATH CH SHOW 2008**

**MPD (4) 1 Quartermain & Downsbank Mister Bo Jangles, 6 months & obviously immature but very promising. Good rise in skull, well cushioned muzzle, low set ears, forward looking eyes, sturdy body for age & quite sound;**

**2 Tarabad & Tarabad & Lillijay Percy Cute Khatibi, more mature but not quite the dome in skull of 1. Level lips, eyes a wee bit small. Happy chap, moving out well;**

**3 Naylor & Maenan Moon Blaze.**

**PD (3) 1 Maddison & Alambra Rich Ruby, moves close behind & more muscle would improve his rear action. Nice free stride in profile, sturdy boy, well boned, pleasing head & muzzle, good expression, true front. A wee bit long in loin perhaps. Shows well;**

**2 L Percy Cute Khatibi;**

**3 Askins & Askins & Headra & Chocolate D Lite.**

**JD (2) 1 Pearce & Vivaldi Black Knight, needs to be a bit bolder & more outgoing. Good size & proportions, excellent head & layback of muzzle, nose placement & forehead correct, looks better moving than hunching himself up standing. Sound;**

**2 Summer & Othmese Dho Kynance at Kingsleigh, has the lovely temperament of the breed but is a little too tall & shelly, pins in going away & very curly in coat. Liked his head & firm muzzle, low set ears, rich tan & happy wagging tail.**

**PGD (6) 1 Mochrie & Downsbank Breugal, beautiful head & skull, liquid eyes, level lips, medium length neck. Front legs could be a little straighter. Good body & proportions of height to length, well set tail, good pigment, keeps outline moving;**

**2 Maddison** ♦ **Tucherish Angelo**, eyes a bit too prominent & cuts up sharply in underline. Good for size & balance, well boned, happy temperament. Front legs could be straighter. Lovely coat & condition;

**3 Mansfield** ♦ **Rosssonny Harvey**.

**LD (8) Lovely class. 1 Stewart** ♦ **Marchog MacFlannel**, neat ruby, pleasing head, level lips, well open nostrils, nicely set, good eye placement & excellent pigment, true, sound front, compact body, enough bend of stifle. Moves a little close going away otherwise difficult to fault. **CC**;

**2 Portingale** ♦ **Tudorhurst Brigadier**, super temperament, little broader in skull but well open nostrils, nicely cushioned muzzle, strong neck & body. Roaches up a trifle on the table but levels out moving. Good bone & compact feet, lovely rich colour;

**3 Schillizi** ♦ **Rosspenn Fudge Brownie of Chacombe**.

**OD (10) 1 Fry** ♦ **Ch Check Mate Amantra**, great to go over for type, balance, sturdy body & the most attractive head, eyes & expression. Thought his coat could be silkier & not so curly but otherwise a lovely boy who moves so well. **RCC**;

**2 Stewart** ♦ **Kasamanda Celtic Connexion to Marchog**, beautiful head, deep black pigment, well placed eyes. Not quite the front or rear movement of 1 but holds a correct level topline & is beautifully marked with lovely silky coat;

**3 Byers** ♦ **Ch Maynorth Carnival at Simannie**.

**MPB (5) Promising class but they were very immature. 1 Naylor** ♦ **Maenan Moon Angel**, the most together on the day, beautiful head for age, although nose is set in a little too much. Soundly made & moves nicely, well boned, holds herself proudly;

**2 Schilizzi** ♦ **Chacombe Margie Faye**, promising girl. Needs lead training & time of course. Nice to go over, lovely pigment, pleasing domed skull, low set ears; **3 Ireland** ♦ **Charnell Only Hope**.

**PB (6) Two lovely puppies. 1 Austin** ♦ **Cofton Bop To The Top**, scrumptious head & personality, well cushioned muzzle, nicely set nose, good front, bone & tidy feet, excellent topline & moves reasonably well for age, lovely silky coat coming. **BP**;

**2 Stanbury** ♦ **Inixia Love Affair**, well marked blen, appealed in head, eyes & expression is soft & melting, OK in front. Just has a tendency to run up, probably a temporary thing as she grows, great temperament;

**3 Smith** ♦ **Justacharma Something Magic**.

**JB (6) 1 C Bop To The Top**;

**2 Byers** ♦ **Simannie Precious Gemstone**, gorgeous head & well domed skull, pleasing proportions of head to muzzle, OK in neck & front, level back, well bent stifles & neat hocks. Moves very close in rear. Holds herself nicely in profile. Lightly marked blen;

**3 Scovell** ♦ **Manaking Miss Kitty of Levicos**.

**PGB (8,1) 1 Pascoe & Pascoe** ♦ **Cwmhaf Aint Misbehavin at Cwmtirion**, slightly heavy marked tri, lovely head, low carriage of ears framing her face, good size, well boned, deep & nicely ribbed back, fair mover, in good body & coat;

**2 Mochrie** ♦ **Downsbank Julietta**, extrovert who flings herself all over! Appealed for head. Maybe not quite the width of muzzle of 1. Lovely body & correct topline, well set & carried tail, nicely broken markings;

**3 Stone** ♦ **Maynorth Irresistible**.

**LB (10,3) 1 Fry & Jackson** ♦s Amantra Winterberry, only the second Charlie of the entry to have any muscletone so far. It does improve movement & drive. This girl is lovely in head, lustrous eyes, medium neck, sound legs & feet, well ribbed & a level back. Her up & down movement could be truer but otherwise a beauty. **RCC;**

**2 Williams** ♦ Kasamanda My Sweet Charity, not in such good coat as 1 but a sweet face. Good domed skull, moved well especially in rear. A touch longer in loin maybe;

**3 Baker** ♦s Cofton I Dreamed A Dream.

**OB (7,3) 1 Southam** ♦s Cavella Callula, nicely muscled girl, soundly constructed, pleasing head & beautiful eyes, good size, feminine yet still sturdy in build, rich colour, correct topline & movement, real star. **CC & BOB:**

**2 Williams** ♦ Kasamanda My Fair Lady, sparky girl, very sound, moving & pretty in head. Her coat not quite as pleasing as it could be & I ♦m sure in better coat she would do extremely well. Really nice quality bitch;

**3 Mochrie** ♦s Downsbank Hazel.

**ZENA THORN-ANDREWS**
