PGD (6,2a) 1 Waters & Robins♦ Maibee Teddy, tri colour with nice clear markings, moved well, nice head & expression. Would like to see him in 12 months time when he will have developed more in body. A most promising youngster with a bright future; 2 Gillhespy & Mallows♦ Tucherish Jolyon, of correct size, pleasing head, nice expression, good bright tan, short & compact, would benefit from more body, moved & showed well; 3 Randle & Prichard♦s Lillijay Debonair Digby.

LD (6,1) Anderson & Watt♦s Maibee Blue Bayou at Nisyros, well presented b/t with nice head, good size & moved well; 2 Sidgwick♦s Paulian Jerome, tri colour, moved well with good body, alert & on his toes, not as coated as 1; 3 East♦s Nastane Tommy.

OD (3) 1 Lloyd♦s Cwmhif Forty Second Street, beautifully broken, richly clearly marked blen with excellent body, good shoulders & hindquarters, lovely head, well cushioned muzzle, good eye, nicely set ears & nose placement, one of the nicest King Charles Spaniels I have had the pleasure of judging in many years. One of the few who moved with drive & this was evident in the group ring where it also caught the eye of the group judge who awarded him 3rd place in what I considered a strong group. Dogs like this will attract more admirers in this breed, I shall look forward to seeing him made up soon. CC, BOB & G3; 2 Waters & Robins♦ Ch Rytonian Out Of The Blue, well known b/t of good size & type, moved well. Coat not as good as 1; 3 Maddison♦s Tucherish Angelo.

PB (2,1) Couplands ♦ **Tucherish Clemency**, tri with pretty head & expression, good front & hindquarters, when she settled moved well. **BP.**

LB (1) Anderson & Watt ♦ **Maibee Lola And Nisyros**, tri, well presented with a nice head & expression, good movement; **2 Couplands** ♦ **Tucherish Wkd Antionette**, tri, nice head, not such clear markings & moved a little close behind; **3 Johnson** ♦ **Lorphil Black Sapphire at Alambra.**

OB (3) 1 Pearson ♦ **Tewhit Talitha**, well presented tri with lovely cobby body, nice head, lovely eyes & expression, good nose placement, well cushioned muzzle, good neck & shoulders, maintained a good backline on the move, well muscled hindquarters. **CC**, her third; **2 Waters & Robins** ♦ **Ch Maibee Layla**, well known tri, beautiful head, lovely tan with low set ears, good body, in good coat & feathering. **1 & 2** made a good pair but preferred the topline of **1**, I consider both these bitches are a credit to the breed. **RCC**; **3 Mallows** ♦ **Lorphil Copper Delight Binglui.**
