

## **EAST OF ENGLAND CH SHOW.**

**The quality of the entry, particularly the puppies, was very pleasing. Movement overall was good, especially as the ground in parts of the ring was very rough.**

### **PD (2).**

**1. Salguero's Downsbank Bilbo Baggins TAF. 6 months old tri at his first Show. Compact and cobby with excellent head and eyes, long low set ears. Good coat for his age with lovely markings. Understandably a bit nervous but overall he coped very well. Movement should continue to be worked on. BP.**

**2. Hodges' Marchog Monopoly for Wolverine. 8 months old B/T with a nicely domed head and well set ears. Compact body with good markings. Movement is displaying growing confidence.**

### **PGD (6,1abs).**

**1. Smith's Justacharma Now He is Magic JW. .Blen with a good head and expressive eyes. Nose pigment rather light. Well marked and of good proportions with a long thick coat. Showed and moved with confidence. RBD**

**2. Leach's Amantra Carte Blanche. Nicely marked, well shaped blen who is maturing well. Movement sound but not as good as 1.**

**3. Sutherland's Tucherish Blacksmith Ebonleigh.**

### **LD (3).**

**1. Plews' Tewhit Trafalgar. Tri of excellent quality. Well domed head, dark eyes with long well feathered ears. Stood and moved with style. A class act but could perhaps do with a little more body weight. BD and BOS.**

**2. Rex-Parkes' Rocquencourt Razzle Dazzle. Blen in super condition given that he had only just returned home after a long absence. Good head, compact body and well marked. Showed well for his handler.**

**3. Salguero's Downsbank Fingal.**

**OD (3).**

**1. Smith's Justacharma He is Our Magic JW. Compact, well built and with a lovely head and eyes, this blen has a truly masculine appearance. Dripping with coat, he shows effortlessly and with great style. Just a shame about his bite.**

**2. Plews' Tewhit Tedward Bear. Excellently presented ruby with a lovely deep coloured glossy coat. Level topline, moved well.**

**3. Van Den Berg-Hage's NL/B/Lux/Int Ch Royal Desire Midnight Storm.**

**PB (1)..**

**1. Goodwin's Lanola Amy Winehouse. 7 months old tri with a well domed head, dark eyes and well placed ears. Well marked with a good, sound body. Movement a little wobbly at first but she soon settled. A strong contender for BP.**

**JB (2).**

**1. Fox-Shone's Amantra Charlene. At 13 months, a quality tri bitch of a nice size. Lovely head and eyes and a good front line. Playing up today and therefore did not really do herself justice on the move.**

**2. House's Stonepit Sophie Tucker at Triciaville. Heavily marked pretty little tri of 13 months with dark eyes and nice ears. Showed and moved well but I just preferred the substance of 1.**

**PGB (7,1).**

- 1. Smith's Justacharma Something Magic JW. A very feminine and compact blen. Has a small but well formed head, level topline and a good coat. Normally has some difficulty in controlling her natural exuberance in the ring but behaved really well today and deserved her first place.**
- 2. Bailey's Maibee Margot at Aldoricka. A very nicely marked blen. Good head and moved well.**
- 3. Harvey's Rocquencourt Rosetta Royal at Rivermoor.**

**LB (1).**

- 1. Harvey's Lankcombe Gabriella at Rivermoor JW. A beautiful tri with a lovely head, nice dark eyes and long well feathered ears. Excellent substance to her body and good bone. Coat long and well marked. Moved freely and with great drive from the rear. A worthy winner of BB and BOB.**

**OB (2).**
