

The King Charles Spaniel Club

Open Show 24th Sept 2011

I would like to thank the KCS Club for the honour of judging their Open show and also for the very flattering entry. I thoroughly enjoyed my day with the “Charlies” and the sportsmanship of all is to be commended. You are a bunch that many breeds could take a leaf out of your book. We were very fortunate with the weather and because of such were able to be judged outside in a spacious grass ring. Thanks also to my 2 very capable stewards. A lovely lunch added to what will be a very memorable day.

Temperaments without exception were good and I hope this continues.

Soundness on the move is still a problem with some but these are in the minority and it is very clear that breeders are addressing the issue and obviously this continues to improve.

My only criticism would be that handling appears very low down on the Charlie checklist. Many good individuals would look so much better if they were handled better. Also there are a couple of excellent examples that are let down badly because of their handlers. Be proud of what you have and show them off!!

Pup B:

1st: Robinson's BALDRAGON ALL ABOUT ME. A very decent Tri bitch who has personality in spades. Gorgeous head and expression. Good for type and in excellent condition. Handled well. Scores highly on the move where she will always take the eye. Just a tad proud of her tail at present but her obvious quality makes you overlook this. One with a future I'm sure. BPB, BPIS

2nd: Goodwin's AMANTRA QUEEN OF CLUBS AT DIGGLE. Much to like about this very pretty B&T girl. She was presented and handled beautifully and her head is divine. Lovely for type and an excellent size. Is sound on the move but could not match the front of the winner.

2nd: Askins & Kendall's HEADRA'S MISS CADBURY. A good honest B&T who is very sound and full of herself. Lacked her outer garments today.

3rd: Johnson's ALAMBRA ISA BELLE

Sp Op Tri & Blen B:

1st: Coupland's TUCHERISH SARSAPARILLA. For me today she was the overall package that I was looking for. When she walked in the ring she screamed Charlie at you. Stood she is very typical being cobby, with a lovely topline and tailset. Yes, she could benefit from a tad more leg length but this is being highly critical. I loved her head and expression and to go over is hard to fault. Another that looks better moving and she pulls herself together and will never be overlooked. Sound and stylish and in superb condition. I liked her very much and hope that she finishes with a well deserved title. BB & BIS

2nd: Robinson's BALDRAGON HEAVEN SENT. Beautifully presented and handled. Very stylish and showy tri girl who scores in head and expression. Just not as cobby as the winner.

3rd: Bailey's MAIBEE MARGOT AT ALDORICKA.
