

## **Manchester Championship Show**

**Thank you all for such a generous entry in these financially hard times. I found some beautiful Charles, but there were several not of sufficient merit to be exhibited at Championship Shows. Not only must it be heartbreaking being placed last or not at all, very often, but consider the expense. Where are all these white rings around the eyeball coming from?? It so spoils the expression. Like to see more dogs moved on a loose lead, it hinders the assessment of their true movement. Disappointingly some of the dogs were literally filthy.**
