

**KING CHARLES SPANIELS**  
**RICHMOND SEPT. 7<sup>th</sup>**

I must say Thank you to all the exhibitors who gave me such a quality entry and to those of you who had spent such a long time on the road travelling to get to the venue all exhibits were well presented, and I thoroughly enjoyed my day with my own breed. I did feel that some of the dogs lacked the necessary substance expected of the breed and there was a distinct lack of coat amongst some, but nevertheless I was pleased with all my winners.

**PUPPY DOG** 11(ENTERED) 2 (ABSENT)

**1 Anderson & Watt** ♦s Maibee Blue Bayou

Ten month old black and tan with a head that seemed more mature than his age, good tan markings and a dark eye with plenty of cushioning, together with his long ear fringes gave a most pleasing picture. lovely rib and bone presented a picture of a short, cobby young dog. His coat was flat and silky in good condition. He showed well when asked, and although a little wide in the front when standing, this should improve with age, pleased to award him Best Puppy.
