

SOUTH WALES KENNEL ASSOCIATION 2008

King Charles Spaniels - Judge Rita Lloyd

Thanks to SWKA for the honour of judging on my home turf and to all exhibitors for a wonderful day. Great weather and best organised show in the UK. Two new CCs winners I discovered and three of the top five victors, were sired by dogs from the same kennel! Well done to them. The Steward seemed to be fascinated by the judging!! LOL The movement of some dogs, left a lot to be desired, mainly rear action, but overall I felt the movement on most was good, but we seem to have lost some of the qualities of the breath taking dogs from the past. Having said that, some worthy dogs went without honours.
