HEADRA'S CHOCOLATE D LITE (MRS I M & MISS M E ASKINS)

1st Tri with promising head that already has well detailed features, excellent nose placement, well cushioned, nicely balanced outline, steady mover holding his topline well, full of quality, promising bone and rib. Just outmoved by the bitch for BP

LORPHIL COPPER SUNRISE (MRS L M GILLHESPY)

2nd Ruby, not the rib of 1 or so well cushioned. Slightly longer coupled but still holds a firm topline. Excellent size, moves well enough

3rd MAIBEE TEDDY NAF (MESDAMES WATERS & ROBINS)

JUNIOR - Dog

AMANTRA CARTE BLANCHE (MRS S LEACH)

1st Well broken Blenheim, well filled and domed skull, wide nostrils, needs more cushioning of muzzle, narrow all through and long coupled. Rather upright shoulder and throws his front about. Needs a lot of time.

MAIBEE BLUE BAYOU AT NISYROS (MESSRS D & I ANDERSON & WATT)

1st Very masculine b/t full of type, big nose, wide nostrils, excellent head type all through. Very elbowy and wide in front, great carriage going around, excellent overall balance, quality coat.

TUCHERISH FLORISON OF FOCHAI (MRS W J MATCHES)

2nd tricolour, nosier than 1 with a smaller meaner eye, very lacking in bodyweight, again excellent topline and carriage, well broken

CWMH♦F FORTY SECOND STREET (MR & MRS J J & R A LLOYD)

2nd well broken Blenheim, cobbier than 1, great bone and rib, looked good going around but very lacking in head properties being cheeky, flat-topped and small-eyed compared to 1

TUCHERISH SUNDOWN (MRS J COUPLAND)

1st B/t who won 2nd in a group under me last year so I was pleased to see I still rated him in the breed. Glorious head with everything in the right place, sound, cobby, stands so well on his legs and has excellent shape and conformation. CC & BOB and 2nd in the group under Zena Thorn Andrews. I gather this was his 4th CC. Great ambassador for the breed at this time.

CH RYTONION OUT OF THE BLUE (MESDAMES WATERS & ROBINS)

2nd B/t, cobby, shapely and sound, not the width in front of 1 or his nose placement but holds himself beautifully going around and has so much type about him. RCC

3rd PEAKDOWNS HIGHLAND BOY AT MIDDLESHOTT (F & J W J BALLANTINE)

PUPPY ♦ Bitch

MAIBEE LOLA (MESSRS D & I ANDERSON & WATT)

1st Open marked tri so outgoing and confident. Quality head, well cushioned and shaped but shows a little too much eye-white which should improve when the head finishes. Sound as a pound and really made the best of herself. Free and eager mover, never faltered in outline. **RCC & BP**

MAIBEE LILIA NAF (MESDAMES WATERS & ROBINS)

2nd The better headed of the two but this bitch stood and shivered apologetically. Pleased me more in expression, but needs to gain confidence and try. If she comes to hand should get her title.

3rd **HEADRA'S CHOC A HOLIC (MRS D PEARSON)**

POST GRADUATE ♦ Bitch

AMANTRA CHRISTIANIA FOR SLEEPYHOLLOW (MR A ALLCOCK MBE)

1st Quality tri with fantastic body and balance and such a good mover. Feminine all through, just a little mean and stark in foreface.

2nd **MAIBEE LYNETTE (MESDAMES WATERS & ROBINS)**

Glorious b/t, fantastic head if a shade light in eye, gorgeous cobby shape, quality coat, perfect size, just lacks enthusiasm. Needs nurturing and can then go to the top. Oozes quality from ever pore and has the potential to create a perfect outline.

3rd LORPHIL BLACK SAPPHIRE AT ALAMBRA (MRS S JOHNSON)

LIMIT - Bitch

Entries: 4 Absentees: 0

TEWHIT TALLITHA (MRS D PEARSON)

1st Tri, not the flashiest marked but she is well broken. Lovely head type with good dome, big nose leather and wide nostrils. Fantastic balance of outline, square and shapely, such a sound and precise mover. Should gain her title. CC

TIFLIN THE BLACK PEARL AT NISYROS (MESSRS D & I ANDERSON & WATT)

2nd B/t lower stationed than 1 and longer coupled, excellent head type, moved soundly if not with the aplomb of 1

3rd NASTANE SWEET FANNY ADAMS (MISS A EAST)

OPEN - Bitch

AMANTRA CHOCOLATE DIVINE WITH HEADRA (MRS I M & MISS M E ASKINS)

1st

Blenheim with not the best pigment on the day, decent head type, a bit blousy in front and rather low and slinky on the move. well broken.
