

WELKS 2010
KING CHARLES SPANIELS

Many thanks to the officers and committee for a most enjoyable day.

Minor Puppy Dog (7)

1)Mochrie's, Downsbank All That Jazz. 6 month old black and tan. Rich tan and black shining in the sun, correct shape and size, good bone and body. Good head qualities but expression spoiled by a slightly small eye. Moved well and really well behaved for one so young. 2)Wallhead's, Sleepyhollow Trikki Dikki at Merida, 7 month old tri boy, Longer in back than 1 but nice size with good bone and spring of rib. Good head and pleasing expression. Moved well.3) Gillhespy & Mallows, Binglui Berlington Bertie.

Puppy Dog (1)

1) Hunter's, Othmese Dhu Daveth At Hooebarton. 11 month old black & tan. Good skull, width of jaw and pleasing expression. Well sprung ribs, good neck and shoulders and nice shape and size, lacked drive in hind movement.

Junior Dog (5,2)

1) Waters & Robins, Maibee Theo. Handsome tri, lightly marked, a very typical head and pleasing expression as one has come to expect from this kennel, good width of jaw, darkest of eyes. Good body, well ribbed, good bone. Moved soundly. 2) Mochrie's Downsbank Spruce. Well marked tri with good head and dark eyes, good bone, short back, level top line, moved well. 3) Salguero's Downsbank Bilbo Baggins.

Post Graduate Dog (10,1)

1)Waters & Robins, Maibee Debonaire. Handsome well marked tri, masculine head with pleasing expression, dark eyes, good width of jaw. In good coat, short coupled and level top line. Happy showman, moved soundly. Res.C.C. I'm sure his day will come soon. 2) Mochrie's Kumbia Jazzmason (IMP NZL). Another quality black & tan boy from this kennel, good head but preferred

the softer expression of my winner. Short back level top line, good bone and body moved soundly. 3) Portingales, Tudorhurst Matador.

Limit Dog (6)

1) Smith's, Ageancourt Magic Once More Is Justacharma. Lightly marked tri. Very typical large masculine head, large dark eyes and pleasing expression. In good coat and well presented. Good shape and size, moved soundly but was just not enjoying his day. 2) Randle & Pritchard's, Lillijay Debonair Digby. Quality, nicely marked tri, good head and similar in shape and size to my winner, these two could easily change places on another day, but I just preferred the more mature head of 1. 3) Singleton's, Andrew De Melcourt Von Celxo.

Open Dog (7,1)

1) Smith's Justacharma He Is Our Magic. Fabulous blenheim, large masculine head, large round darkest of eyes, good width of muzzle but slightly strong in lower jaw. Built on small frame has excellent bone, deep and wide chest, good spring of rib and short back giving the so desired cobby body. By far the best mover of the day, my pleasure to award him C.C. 2) Waters & Robins' Maibee Teddie. Well marked tri in good coat. Masculine head, dark eyes. Great temperament. Short coupled, moved with drive. Preferred the overall make up of 1.

Minor Puppy Bitch (6)

Searles' Stonepit Dolly Daydream. 7 months old lightly marked blenheim. Loved this young lady, small and compact, good ribs, plenty of substance. Very pretty head, good rise and width of skull, wide jaw, darkest of eyes and lovely gentle expression. Moved with drive but if I have to be critical a little high stepping at the front. Best Puppy. 2) Meek's Sleepyhollow Inky Pinky. 7 months old well broken tri. Pleasing head, good body and bone, happy show girl. Moved well. 3) Pascoe's Cwmtirion Cwtch Me If You Can.

months old tri. Good head but heavily marked in face which spoils the expression for me. Good for size and shape, moved freely.
