

## **WINDSOR CHAMPIONSHIP SHOW 1.7.2010**

### **KING CHARLES SPANIELS**

#### **Puppy Dog (5, 0 abs)**

**1. Mallows' Binglui Ruby Lewis, very pleasing & gleaming ruby puppy; scored on depth of colour & super pigment; good head with some height of skull; dark eyes, well placed nostrils; wide muzzle with neat lips; level topline; up on the leg at present but should improve with maturity; best movement in this class.**

**2. Pascoe's Cwmtirion Little Boy Peep, lightly marked Blenheim boy of good type; scored on head and expression; super dome, low set ears; again needs time to settle; moved well but carried tail a little high.**

**3. Austin's Oh Dandy Boy Hero.**

#### **Junior Dog (2, 0 abs)**

**1. Waters & Robins' Maibee Theo, stunning tricolour dog, just my type; excellent head, full skull, large dark eyes, wide well cushioned muzzle; short & cobby; level topline, low tail carriage; strong straight front; well muscled rear quarters; lightly marked with the richest of tan on the ears; silky coat texture; beautifully presented. Looked great in the breed ring, but really stood out in the Group ring. My choice for the Dog CC and Best of Breed.**

**2. Austin's Oh Dandy Boy Hero, lightly marked boy; rather immature for this class, but quite promising; nice head & skull; good neck & shoulders; level topline, correct rear angulation; very good coat & movement.**

#### **Novice (0)**

#### **Postgraduate Dog (8, 1 abs)**

**1. Tarabad's Lillijay Percy Cute Khatibi, winner of a strongly contested class, a really richly marked Blenheim dog with an excellent head; darkest eyes, low set ears, well padded muzzle; cobby body with well sprung ribcage; low set tail carried correctly on the move; moved really well.**

**2. Gillhespy's Tucherish Sundance, gorgeous black & tan with a glorious head; soft expressive look, largest of eyes, plenty of skull; super coat texture with rich tan in all the right places; short enough; good spring of rib; lovely light movement; strong bone; beautiful breed type.**

**3. Leach's Amantra Carte Blanche.**

**Limit Dog (11, 1 abs)**

**1. Fry & Jackson's Amantra Regalist, in yet another great class, this tricolor dog stood out; small exquisite toy spaniel; super head and proud neck carriage leading into short and cobby body producing such a pleasing outline; a top quality exhibit.**

**2. Gillhespy's Lorphil Copper Sunrise, very nice ruby dog; deep rich colour; lovely head with darkest of eyes; well placed ears; wide, well padded muzzle; short coupled; nice spring of rib; moved freely and with elegance; not yet as mature as the class winner.**

**3. Waters & Robins' Maibee Teddy.**

**Open Dog (3, 0 abs)**

**1. Stewart's Marchog MacFlannel, older, very mature dog who was very unlucky to meet the CC winner; I think this rich ruby dog has a great head, very large and with a soft expression; darkest of pigment and eyes; well cushioned muzzle; strong neck; level topline; well carried tail; great movement front and back; pleased to award him the RCC.**

**2. Maddison's Tucherish Angelo, nice quality lightly marked Blenheim; pleasing head with good dome and pigment; darkest of eyes; large nostrils, padded muzzle; very well constructed and movement was excellent.**

**3. Southam's Cavella Crackerjack.**

**Veteran (1)**

**1. Byers' Maibee Alexis At Simannie, lovely tricolor bitch; sweet head and lovely expression; very large dark eyes; cleanly marked and in excellent coat which was abundant and silky; a most charming more old fashioned toy spaniel of very good type.**

### **Puppy Bitch (7, 1 abs)**

**1. Byers' Maibee Anya At Simannie, in this very strong class I picked the more mature Blenheim puppy, but I'm sure they will all change places and should all be contenders for top honours in the future; winner has strong head with excellent pigment, very good ribcage and level short topline; strong boned; excellent silky coat; moved strongly. Best Puppy.**

**2. Pascoe's Cwmtirion Catch Me If You Can, very pretty and appealing tricolor bitch of great quality; sweet head; good body and level topline; as yet has not settled but must have a great future if she can find the elusive show charisma.**

**3. Searle's Stonepit Dolly Daydream.**

### **Junior (4, 0 abs)**

**1. Kendall & Askins' Headras Clementine, a really appealing tricolor bitch; lovely head with well domed skull, full over eyes; expressive eyes; wide, well cushioned muzzle; strong neck; level and short topline; one for the future, she has great promise; beautifully presented and handled.**

**2. Stone's Maynorth Fallen From Heaven, another lovely bitch, rich ruby this time; sweet head and expression; immature as yet but will improve with maturity as the colour is generally slow to mature; nicely presented; scores heavily on movement.**

**3. Johnson's Alambra Rubies N Emeralds.**

### **Novice (3, 0 abs)**

**1. Kendall & Askins' Headras Clementine, repeat.**

**2. Gillhespy's Tucherish Lucretia Borgia, a quite exquisite black & tan; lovely size and type; lovely head and expression; super quality, gleaming black coat with deep tan; very excitable on the day; when calm I believe she could be a real contender for top honours.**

**3. Juniper's Othmese Dhu Dorcus Of Lewiscarol.**

### **Postgraduate Bitch (8, 0 abs)**

**1. Pascoe's Cwmhaf Lullaby Of Broadway At Cwmtirion, such a lovely cobby blenheim bitch; excellent head with softest expression, large skull, full over eyes; very dark eyes, black pigment,**

**wide well padded muzzle; short level topline; good spring of rib; strong bone; moved with drive; I loved the type and was very happy to award her the Bitch RCC.**

**2. Waters & Robins' Maibee Olivia, very close between first and second places; this lovely girl is perhaps a richer colour and also has a lovely head; darkest of eyes; beautiful pigment; short level topline; strong hindquarters; moved correctly.**

**3. House's Stonepit Sophie Tucker At Triciaville.**

**Limit Bitch (3, 0 abs)**

**1. Goodwin's Maibee Mama Mia Diggle, a very lovely tricolor bitch; small and very refined; large, well domed skull and large dark eyes; glorious head with longest ear fringes I have seen for a while; profile correct; personally I would have liked a bigger spring of rib and a little more depth to the ribcage, but she screams type and had to win the class; presented and handled to perfection.**

**2. Searle's Stonepit Penny Royal, another quality tricolour bitch; super head, good full skull; large dark eyes, low set well feathered ears; really good cobby body; head of great appeal; nice neck into well laid shoulders; short level topline; moved strongly.**

**3. Austin's Cofton Bop To The Top.**

**Open Bitch (5, 1abs)**

**1. Waters & Robins' Champion Maibee Layla, a most splendid bitch; square and very cobby; great head, full over the eyes, with most feminine expression; large dark eyes; wide, well padded muzzle with neat lips; level, short topline; deep well sprung ribcage; lightly marked tricolor with abundant silky coat; movement true coming and going; a great bitch; it was a pleasure to go over her. My choice for the Bitch CC.**

**2. Askins & Kendall's Amantra Charmful At Headra, slightly more heavily marked tricolor bitch; another quality exhibit; very pleasing head with dark eyes, well placed large nostrils and well cushioned muzzle; strongly made; short coupled; level topline; strong bone and substance; moved freely and with drive.**

**3. Harvey's Champion Lankcombe Gabriella At Rivermoor.  
TERRY PURSE (JUDGE)**
