

The King Charles Spaniel Club Open Show  
Judge Michelle Chapman (ellemich)  
29<sup>th</sup> September 2018

I would like to start by thanking the King Charles spaniel club for inviting me to judge the open show for them, and continue to say, that I know the club has been through a turbulent time. But what I saw at the show was a committee working together, running a happy, well organised show, and people there doing what they should be. Which is having fun, supporting each other and enjoying our breed and our hobby. Overall the quality and presentation was good, but this year for me the veteran stole the day.
