

Windsor Ch. Show 27/06/10. King Charles Spaniels.

I enjoyed my day judging at this well organised show in a lovely location, not a huge entry but one with quality and only 1 absentee.

V D/B.(3).

1. Pennington's CH TUDORHURST DIAMOND. Tri boy of 8 years presented in full bloom. A happy sound mover that covered the ring well, holding a firm topline. Good head with a nice round dark eye, lovely bright tans, well placed nose, he carried his head well showing his outline. Well boned, presented in clean coat and condition, a tad long cast, but could not be denied the Rcc & BV. Giving the younger dogs a run for their money.
2. Gurtner's MULTI CH FLEUR DE LYS OF MELCOURT. Happy tri girl not showing her age, pleasing full head with nice round dark eyes. Moving soundly both ways, well boned with a good front and good neck and shoulders. Not in full coat so had to give way to the glamorous boy.
3. Smith CH HEADRA'S TRULY MAGIC IS JUSTACHARMA.

PUPPY DOG. (2).

1. Smith JUSTACHARMA MAGIC GOES ON. Well marked pup of 7 months moving happily and well both ways. Held his topline moving and has a well set tail. Well bodied with a good spring of rib. Adequate head for age with a nice dark eye and good pigment.
2. Baker COFTON SOLDIER BOY. Another 7 month tri boy, pleasing head with good eye. Well boned, went happily around the ring with a jolly temperament. Not as firm behind as 1 today and lost out to 1 on tailset.

JUNIOR DOG. (2).

1. Smith MITAPIP BLACK IS MAGIC FOR JUSTACHARMA. Petite B/T of 12 months. Pleasing head with good nose placement, dark eyes and bright tans. Moved holding a level topline but was too proud of his tail today. Rather narrow throughout needs more width through his chest and ribs.
2. Hunter. KASAMANDA HAMILTON OF HOOEBARTON. Tri boy of 13 months that looked good on first impression, ok for head, eye could be darker, good bone and front. But he falls away too much at the croup, has a very low tailst and today was moving very erratically behind.

POST GRADUATE DOG. (4).

1. Hardiman TOVARICH THE ONE AND ONLY. Tri dog, put together very well. Moved very soundly both ways. Good bone, presented in good clean coat and condition. His head is adequate but I would prefer more skull and cushioning to muzzle. Nice round dark eye and good pigment. Won the class on his overall balance.

2. Harvey RIVERMOOR ALBERTO. Nice type of tri boy with pretty head and pleasing expression, nice dark eyes and pigment. I would like a bit more skull. Rather rangy in body, he could do with carrying a bit more weight, held his topline on the move but unfortunately was moving very close behind today.
3. Austin DRAGONHEART FALL BREEZE.

LIMIT DOG. (6)

1. Schilizzi & Healy-Gates. CHACOMBE ALBERT. TRi boy, nice cobby shape, well presented in good coat of nice silky texture. Moved well and happily around the ring holding his topline, nice neck and shoulders, good front and well boned. Round head with well cushioned muzzle, round dark eyes and bright tans. To be picky I would like a touch more dome.
2. Smith JUSTACHARMA ONE SO MAGIC. Nice tri with cobby body, well boned with a good rib. Moved soundly both ways, a nice clean coat. OK for head, round dark eyes, bright tans. He could do with a bit more neck for balance.
3. Rushton. JUSTACHARMA HE IS SO MAGIC AT TIFLIN.

OPEN DOG. (2).

1. Byers CH LANOLA GIORGIO ARMANI WITH SIMANNIE. Cobby tri presented in lovely clean coat and condition. Full head with well cushioned muzzle and well placed nose. Large round dark eyes, well placed, giving a good expression. Lovely neck and shoulders leading to firm topline which he held on the move. He moved steadily and soundly both ways and in profile around the ring. I awarded him the RCC last time I judged, pleased to award him CC & BOB today.
2. Hunter MAYNORTH SHADES OF HEAVEN AT HOOEBARTON. Masculine ruby, well presented in lovely coat and condition. Moved soundly both ways, good neck and shoulders, cobby body, well boned. Adequate head with dark eyes, but I would prefer a larger eye to give a softer expression and his nose placement could be better.

PUPPY BITCH (3)

1. Boyer ELLINGHURST MISS SAIGON. 11 month old tri, well presented in lovely clean coat and condition. Nice head and round dark eyes. Good nose placement, lovely bright tans. Well placed shoulders, crested neck, moved well both ways and in profile with a happy temperament. Best Puppy.
2. Baker COFTON FLY ME TO THE MOON. Happy tempered pup enjoying her day out. Sweet head for age with round dark eyes. Well bodied with good spring of rib. Lovely front, moved well around the ring.
3. Leach POLTOMIC POLLYANNA.

JUNIOR BITCH (5).

1. Gurtner OPRAH DE MELCOURT. Beautiful headed tri bitch, full dome viewed from all angles, round dark eyes giving a soft expression. Well cushioned muzzle with good turn-up. Fabulous neck and shoulders, good flat coat, lovely size and well

boned. Moved soundly both ways and in profile holding her topline. Yes, she is a little long cast, but her other qualities outweigh this. Pleased to award her the CC but had to give way to the more mature male for BOB.

2. Potter TOYSWOOD STARLIGHT EXPRESS. Sweet tri, pleasing head with well cushioned muzzle, and dark eyes. Nice rich tans, well boned. Moved soundly both ways holding her outline.
3. Baker COFTON DANCING ON MY OWN.

Post Graduate Bitch. (3).

1. Skelton TUDORHURST SORCERESS AT ELFINDOR. Blen bitch with the best head of the 3. Nice dark eye, well cushioned muzzle. Well presented in clean silky coat, Moved soundly, if rather exuberantly, and rather too proud of her tail on the move.
2. Williams KASAMANDA MY SERENDIPITY. Larger type tri bitch with well domed head and bright tans. Round eyes, but they could be a bit darker. Well presented in good condition, good bone. Longer cast than 1 and falls away at the croup.
3. Cridland ELLEMICH DRAMA QUEEN AVEC MONLEON.

Limit Bitch. (7, 1 abs)

1. Austin/Bakers COFTON DANCING THROUGH LIFE JW. Tri bitch, well marked with short cobby body, moving soundly and happily with a level topline and good outline. Well boned with good neck. Full head with dark eye and good tans. Pleased to award her the RCC.
2. Harvey RIVERMOOR LADY MARTHA. Nice headed blen, with pretty expression. Good eyes and pigment, well boned with good neck and shoulders. Well soundly around the ring, longer cast than 1 and not in her best clothes.

1. Williams TOVARICH TRULY FAIR FOR KASAMANDA. Cobby tri bitch with good spring of rib and short level topline. Well domed head with good cushioning to muzzle, round eyes and good pigment. Moved soundly and steadily both ways with a good front and rear action.
