

PAIGNTON - 2019

KING CHARLES SPANIEL

A small entry but some quality exhibits. Many thanks to my stewards, Karen and Martin Johnson.

MPD (1) 1 Cofton Soldier Boy. Almost 9 mths, tricolour with excellent temperament and a very good head with good skull, nose and finish of lip, can fill out a little in chest yet but he goes soundly at both ends, good topline but can fill out over croup, very promising.

JD (1) 1 Hunter's Kasamanda Hamilton Of Hooebarton. 14 mths tricolour who needs more confidence and more rib and body, good muzzle, nose and eyes but could have more rise of skull, sound rear action but he needs more strength and muscletone, in front he is loose and this should improve when he gets more chest.

PGD (3, 1) 1 Pearce's Downsbank Troubadour Over Ozzymoon. 3 yrs tri, a little long for balance but he has good neck and topline and is sound at both ends, good skull but his eyes could be better set and show less white. 2 Austin's Dragonheart Fall Breeze. 4 yrs old tri who has a very good temperament. I liked his head and eye but he could be firmer in hocks and rear and he tends to roach his back on the move.

LD (3, 1) 1 Wood's Tudorhurst Guardian. 3 yrs old tri, presented to look a picture, he has a beautiful head and big nostrils and large dark eyes, he needs more rib and body to make him more compact, excellent rear drive and topline and tail carriage, front action can be firmer. When he develops in front, a good prospect. 2 Austin's Dragonheart Winter Morning. 4 yrs. Lovely marked Blenheim who has a cobby body and good ribcage and is sound at both ends but lacks temperament and this shows in his carriage on the move. A good head which could have more rise of skull. Not in the coat of the winner.

OD (5, 1) 1 Schilizzi & Healy-Gates' Chacombe Albert. Tri of 20 mths, compact, refined toy spaniel who was the best mover in this class. He carries himself well and has excellent temperament. I would prefer a little more bone. Scored in his front action here, still not at full maturity in body but I loved his type and temperament. CC and BOB. 2 Jackson's Ch Amantra Regal Duke. 5 yrs, the winner standing and more mature in body, and I preferred his bone and he has a large head with good eye but his front action today let him down. Res CC. 3 Melville's Ch Amantra Chorale.

MPB (4) Two lovely youngsters to top this class. 1 Jackson's Amantra Talitha. BLenheim, 8 mths, a really cobby body and sound at both ends, carrying her topline well, good skull and eyes and finish of lips, had the pull in body here. BP. 2 Stanbury's Cofton To The Moon And Back To Inixia NAF TAF. 8 mths tricolour with beautiful head and expression and carries herself beautifully on the move, not the rib and chest of the winner but I loved her profile action and topline and outgoing temperament. Another one with a good future. 3 Lewis & Lewis' Amantra Tarazed Carleeto.

PB (2) 1 Baker's Cofton Fly Me To The Moon. 8 mths tricolour, lovely temperament, outgoing and sound on the move with good spring of rib, good skull and eyes, could be a little more padded in muzzle but this may come, full of quality. 2 Janes' Lesannlea Toot Sweet. 11 mths Blenheim, richly coloured, broad skull, good eye, a little long for balance and overawed today on the move, good bone and chest.

JB (3, 1) 1 Boyer's Ellinghurst Kiki Dee. 12 mths tri, beautiful for type, needing more confidence on the move but the better mover here. Lovely head and eye and excellent neck, needs more body but she has beautiful breed type and moves accurately at both ends. Has the potential to go to the top. Res CC. 2 Champion's Lankcombe Bette Davis. 14 mths tri, a good bodied bitch with excellent temperament and good rear action, head marred by rather bold eyes, carries a good topline, not the front action of the winner.

PGB (5, 3) 1 Boyer's Ellinghurst Miss Saigon. 12 mths, litter sister to previous winner and very similar but not as good in front, cobby and

refined with good head which needs time to finish, outgoing temperament. 2 Williams' Kasamanda My Serendipity. 3 yr old tri, a beautiful head and eyes with excellent furnishings to her low set ears, a little long cast which shows in her topline, whilst she is sound she was overawed in the hall.

LB (3, 2) 1 Baker's Cofton Snow White. 3 yrs Blenheim, a little short on the leg for balance, sound movement at both ends but I would prefer stronger hocks, good head which needs more finish of muzzle and stronger pigment.

OB (3, 1) 1 Austin & Baker's Ch Cofton Dancing Through Life JW. Tricolour with good movement and good head type but needs a stronger topline, she is well constructed and has good coat, very good temperament. CC. 2 Williams' Tovarich Truly Fair For Kasamanda. The winner standing for compact cobbiness and a good head but she was not going with any temperament and tucking herself up on the move. With more outgoing performance could win tickets.
