

- **Thank you to Richmond for inviting me to judge the breed today and to the exhibitors their entries. Thank you to the 2 lovely stewards who kept the ring running smoothly and making it a pleasant day for all the exhibitors as well. Although a small entry it was a quality entry of dogs and all were presented in clean condition, temperaments were excellent on all the dogs shown today, just a few need a little more body and muscle tone but that will come with age and maturity.**
