

MANCHESTER CH DOG SHOW 2022

KING CHARLES SPANIELS DOG

Many thanks to the committee for inviting me to judge at this show and to the exhibitor's for supporting me, I had a thoroughly enjoyable day.

I am so sorry to have taken so long to do the critique but within a few days after judging I had to go into hospital for a major operation but hopefully on the mend now.

PUPPY DOG

I have seen this puppy several times in the ring and liked him very much so pleased on going over him that my early thoughts were correct. So beautifully balanced with lovely head and neck properties lovely dark eye and with good nose and ear placement. He has lovely strong rear end action when on the move with and maintains good topline when standing and on the move. Typical Charlie all over

VETERAN DOG (1 ABS)

KING CHARLES SPANIELS - BITCH

1ST Rix - Baldragon Fame Game at Rixbury

Well marked tri with good bone nice head properties just wished she had more animation she just did not seem happy in the ring today hopefully that will be just a one day thing

2nd Whitman & Tarabad Baldragon Russian around with Khatibi

Slightly heavier marking than the 1st but a nice girl, short back, dark eye and nice head and good movement. I think with a little more maturity she will overtake the other youngsters we have at the moment (one to watch)

JUNIOR BITCH (1 abs)

1st Whitman & Tarabad - Baldragon Centre Stage with Khatibi

Beautiful tri lovely head with dark eye good nose and ear placement her movement is good and she maintains her topline when on the move and standing she has a lovely short back and nicely marked. She also has a lovely temperament and showed her heart out BCC

2nd Lovels Coftons Dream at Lovetrac

Another lovely good quality tri good head and lovely soft expression lovely dark eye good nose and ear placement , she lost to the 1st today as she did not seem to be at one with her owner, I did however call her in for the challenge and noticed as she came in the ring towards me she had more bounce than earlier in her class which allowed me to award her the RCC I am sure this girl will get her title as she matures up as she is only a youngster at the

moment and some Charlies mature more quickly than others one to watch in the future RBCC
