JUNIOR

1st Mr & Mrs S & G Smith's Justacharma So Magic

This 8 month old lightly marked Tri boy is of such a fabulous shape and size, still obviously immature as he should be but everything is in place to carry this boy onto a wonderful show career.

He has a soft, cheeky expression below a good dome which is full over large dark eyes. He has open nostrils, good fill in cheeks and lips that meet perfectly with good turn up

His medium neck leads to well laid shoulders a level topline with tail well set on. He has a good ribcage deep and ready for maturing, a short loin and good stifles and well let down hocks all coming together to make a cobby and compact balanced outline

He carries himself so well for a youngster keeping a level topline and tailset. He moves straight coming and going and with drive.

2nd Mr & Mrs Smiths's Cavella Comrade For Justacharma

A larger cast 1 year old well marked Tri coloured boy. This boy has a great dome which is full over large dark eyes, low set , well feathered ears , coal nose pigment with well opened nostrils, lower jaw a little narrower than 1st but lips met well and cheeks full with good turn up

Wow what a class

1st Mr N Tarabad & Mr J Whitman's Baldragon Centre Stage With Khatibi

This gorgeous Tri coloured bitch oozed femininity and class. She for me is of perfect size, shape and make. Her enthusiasm along with her presentation makes her stand out

She has a good dome with low set ears , full over lovely dark large eyes, Great pigment and jaw well turned up all framed with low set ears making such a pretty picture

Her neck is of medium length leading down to well laid strong shoulders, level topline and great tail set, her ribs are well formed for her age and neatly tucked in elbows. Her loin is short and she has well defined stifles and well let down hocks all this giving this girl a compact, cobby and neat outline

She moves with drive and animation keeping that level topline all the time moving true towards and away
