1. Bowles-Robinson's Tom Des Trois Maillets Baldragon (Imp Fr) NAF. Blenheim dog with good dome to well-balanced head, low ears and large dark eyes. Nicely angled front and back, good width and depth to chest. Desirable drive during elegant movement.
2. Dunford's Headra's Bruce. Tricolour with correct head and long feathered ears. Good angulation all round. Coat in gleaming condition and abundant. Was a little reticent today which showed in his otherwise true movement.
3. Smith's Justacharma Just Magical

**Post Graduate(2)**

1. Rushton's Tiflin We All Love Jack. Tricolour who excels in head, well domed, ears, eyes and nose on a line to give desired balance, full muzzle and upturned jaw completed a pleasing head study. Short compact body with good rib and muscle. Moved well from all views, particularly in profile.
2. Mochrie's Downsbank Indian Ink. Another lovely head with correct dome, good ear, nose and eye layout and square muzzle. Unfortunately wouldn't perform today so further assessment wasn't possible.

**Open(5,2 Abs)**

1. Tarabad & Whitman's Cofton All I Have To Do Is Dream With Khatibi. Tricolour dog whose size and shape immediately caught my eye. A well domed head, with short full muzzle and correct ear, nose, eye placement. Compact, well angulated and short backed with good muscle tone all came together with good effect on the move producing driving true movement.
2. Potter's Toyswood Counting Stars. Tricolour girl with excellent dome to her balanced head with eyes wide apart. Nice for size and shape if slightly longer than I want. Moved happily with a constant wagging tail.
3. Smith's Justacharma So Magic JW
